

MIKE PROHASKA & THE CLEAN SLATE COVID-19 RESPONSE

In the face of the pandemic, our union stepped up to perform essential construction work throughout the city. The Trust Funds launched a \$10,000 COVID-19 hardship Annuity withdrawal option to help provide emergency support. The Clean Slate also successfully worked with the Trust Funds to adopt a first ever 300 hour credit to protect member healthcare coverage due to COVID-19. We also made sure at the height of the crisis that every member could hold their spot through amended hiring hall rules. Mike Prohaska worked to create a comprehensive COVID-19 response website that assisted members to access available resources and help retirees register for the COVID-19 vaccine.
